

Press Release
From LCDI
Re Margaret Ritchie Visit
18th Nov 09.

On Wednesday 18th November 2009, LCDI management and Staff were delighted to welcome the Minister for Social Development. Ms Margaret Ritchie MLA. The Minister accompanied by local party members and John Dallat MLA, was in town to launch the re-vamped LCDI website.

The Minister said that she was very much aware of the wide range of work undertaken by LCDI. Congratulating staff and committee members, she encouraged them to keep striving to make a difference.

Local politician, Leslie Cubitt told the minister that he was proud to be on the Management Committee of LCDI, he said that it was good to see the Minister taking an interest in the hard work that groups like LCDI do year after year. Leslie continued, there is no better group than LCDI who for over 20yrs have been quietly working away on behalf of all of the people in the Borough, LCDI have been a quiet but very very effective champion of cross community relations since 1987.

The chair of LCDI Mr.Keith Leighton echoed Leslie's words and he encouraged anyone in the borough who has any issue causing them concern to have a look on the website www.lcdi.co.uk, if we cannot assist you he said, we can point you to someone who can!

Keith thanked the Minister and her team for their visit and invited them to a tour of one of the finest remaining examples of a Union Workhouse in Ireland.
